Dear KidCare Parents,

It has been another successful year in KidCare! The students have enjoyed many activities and new friendships during the school year. I would like to thank Mrs. Hinken for her leadership, dedication, and commitment that have made KidCare so successful. Mrs. Hinken will be retiring this summer after working in the district for 11 years. She will be greatly missed. At the April Board meeting, Ms. Mary Berger was hired as the Kidcare Director for the 2018-19 school year. Ms. Berger has been the KidCare Coordinator this year at Westmoor School. Additionally she has experiences working with preschool students and as a camp director/ coordinator.

Each year, we review our procedures and processes to ensure that we best meet the needs of our students and families and make the necessary changes. When you register this year, know that your schedule will be valid for the entire school year. This consistency will support continuity for staff and students. In the event you need to make changes to your child's schedule, there will be two opportunities during the school year to do so. Scheduling changes can be made at the end of the 1st & 2nd trimesters (November 16 & March 23). Requests will need to be made in writing to the KidCare Director two weeks prior to the dates listed. Next year the minimum number of days for the afternoon will be three.

KidCare registration begins on Tuesday, May 22<sup>nd</sup>. To register visit our Web Store at <http://northbrook28.revtrak.net>. We have detailed instructions on the website to assist you with registering your child into the KidCare program. Please note the all families that register by August 1<sup>st</sup> will have a spot in KidCare. Additionally October, February and April early release days are not included in the basic registration but are available at this time. See our web-site at [www.northbrook28.net](http://www.northbrook28.net) under Parents for specific details. If you need any help with registration, please contact Jean Ott at [jott@northbrook28.net](mailto:jott@northbrook28.net) or 847-504-3425. We look forward to working together in the 2018-19 school year.
