

JOIN US AT THE
NORTHBROOK PUBLIC LIBRARY
FOR THIS YEAR'S SUMMER READING!
SIGN-UP BEGINS JUNE 3

SUMMER READING PROGRAMS AT THE LIBRARY

LEGO Build Workshop (Grades 1-6) Registration required

Participants will be led through LEGO building exercises and work together to create a Library inspired tower.
Friday, June 23 | 2:00-4:00pm | Pollak Room

LEGO Build Workshop for Children with Special Needs (Grades 1-6, with a caregiver) SN Register

Create a LEGO project with an expert LEGO builder.
Friday, June 23 | 4:30-5:30pm | Pollak Room

Family STEM Explorers (Grades 1-8, with caregiver) Registration required

Want to explore something new together? This class for children and their caregivers will explore fun science, technology, engineering, and math while building real world skills together.

LEGO Robots and Computer Programming

Thursday, June 15 | 6:00-7:30pm | Interactive Classroom

Circuits and Makey Makey

Thursday, June 29 | 6:00-7:30pm | YS Activity Room

Paper Roller Coasters!

Families will design, create and take home an original paper roller coaster.

Sunday, July 9 | 1:30-4:00pm | Pollak Room

Computer-Aided Design and 3D Printing

Thursday, July 20 | 6:00-7:30pm | Interactive Classroom

Messy Science Madness!

Families will explore different science concepts and get a little messy at the same time.

Sunday, August 6 | 2:00-3:30pm | Pollak Room

Hackers (Grades 4-8) Register

It's not what you think! A hacker is someone who enjoys building, rebuilding, and modifying software; someone who enjoys testing limits and seeing what is possible. This program is made possible by the generous donation from PotashCorp.

Chibitronics: Sticker Circuits

Wednesday, June 28 | 2:30-3:30pm | Youth Services Activity Room

Solar Eclipse Viewers: Cereal Box Hacking

Monday, August 14 | 4:00-5:00pm | Youth Services Activity Room

Games Outside the Box (All ages, Drop-in)

Calling all Gamers, Techies, Engineers, Builders, Strategists, Creators, Geeks and Out-of-the-Box thinkers – it's time to play! Each week we'll be featuring a different theme. Stop by and let's see what you can do!

Tuesdays in June:

June 13 | Building

June 20 | Robotics

June 27 | Contraptions

Tuesdays in July:

July 11 | Logic

July 18 | Mazes

July 25 | Egg Drop

August 1 | Legos

2:30-4:00pm | Youth Services Activity Room

Curiosity Club (Grades 2-3) Register

Satisfy your curiosity on the topic of the month through books and hands on activities.

Secret Spies

Thursday, June 22 | 4:00-5:00pm | Youth Services Activity Room

Summer Science

Thursday, July 20 | 4:00-5:00pm | Youth Services Activity Room
