## Outdoor Education – NBJH

September 8, 2006

Dear Parents:

It is understood that \_\_\_\_\_  
(*Print student name here*)

will be a cooperative and positive participant in the Outdoor Education Program at Camp Timber-lee, East Troy, Wisconsin. The guidelines, expectations, and rules have been discussed by the participant and the parent(s). If these are not followed, parents will be contacted and required to drive to camp and pick up their child immediately.

Note that during one of the camp activities, students will have the opportunity to scale a wooden tower with safety equipment and supervision provided by the Camp Timber-lee staff. Your child will have the choice to decide whether or not he/she wishes to participate in this activity.

Please submit (1) this completed form, (2) payment of \$130 (checks made payable to *Northbrook School District 28*), and (3) the completed health and medicine forms ON or BEFORE **Friday, September 22, 2006**, to your child's homeroom teacher.

If your child does need to take any meds on the trip (over the counter or prescription), it must be given to our school nurse NO LATER than Monday, September 25.

If you have any questions or concerns, please talk with your child's HR teacher as soon as possible, and please attend our informational meeting on September 19, 2006, at 7:15 PM in the NBJH cafeteria.

Thank you for your assistance with this program. We are most appreciative.

Sincerely,

*The 6<sup>th</sup> Grade Teams*
