

Dear Parents and Families,

Hello! My name is Angela Meas, and I will be the KidCare Coordinator at Westmoor Elementary. I am also a fifth-grade teacher's assistant at Greenbriar Elementary. This will be my first year working within District 28. As a recent graduate of Illinois State University, I participated in professional development schooling (PDS), which is a year-long student teaching program. My pre-professional experience has provided me with several opportunities to work with a variety of grade levels and specialized instruction in first grade.

I love working with kids, and it is my goal to make your children's experience here at KidCare a great one. Over the course of this year, we will be planning themed activities with the support of our wonderful staff members. Additionally, we will be open to suggestions from the children as we encourage their interests to be a part of our curriculum.

I plan to implement several icebreaker and team-building activities, especially during the first week. This will allow the students, staff, and myself to learn more about one another and build relationships within our community.

I am excited to have this opportunity, and I look forward to meeting all of you. If you have any questions, please contact me or the KidCare Director, **Mary Berger**, at mberger@northbrook28.net. Let's make it a great school year!

All the best,

Angela Meas

Westmoor KidCare Coordinator
