About the Music Parents Club: The Music Parents Club is made up of all the band, choir and orchestra directors, Dr. Scott Meek and parents from all four District 28 schools. The MPC provides opportunities to bring in professional composers, musicians and directors for enhanced learning experiences; take our student musicians to a variety of venues to share their music as well as experience other music related performances; maintains and purchases music uniforms; and special treats and celebrations for our students throughout the year. This is all accomplished with the funds collected from the MPC's annual Wreath & Coffee Sale.
