

It's Okay to Not Be Okay

This May, in recognition of National Mental Health Awareness Month, Paws for Patrick, in cooperation with the Village of Northbrook, has launched a campaign to raise awareness and break the stigma around mental health illness. Paws for Patrick is a non-profit organization dedicated to helping children and young adults with mental health struggles find and adopt Emotional Support Animals. Starting May 1st and continuing through the month, village residents are encouraged to raise awareness by tying green ribbons around their trees as part of the campaign to

“Turn Our Towns Green”.

Please stop by the Village Green on Saturday May 1st between 1:00-3:00 p.m. Volunteers will be on hand to pass out ribbons to any interested residents.

Thank You For Your Support!
